## Gladiolus Price List---February, 1932

A. N. CORRINGTON, NORMAL, ILL.

This price list is substituted for a catalog because of much lower prices.

My bulbs are up to the usual Glad Patch standard and are guaranteed to be true to name—healthy, plump young bulbs—or there is no sale. They were inspected during the growing season and also at digging time.

I offer these bulbs subject to prior sale and prices are for prepaid delivery on orders amounting to \$2.00 or more in U. S. A. A 20% deposit will hold bulbs for future delivery.

In addition to my usual generous count and extras, I will give each customer a present in bulbs of my selection amounting to at least 10% of the order.

When full remittance accompanies the order you may select extra bulbs as follows: \$3.00 to \$10.00, 10% of your order; \$10.00 to \$25.00, 15%; \$25.00 to \$50.00, 20%; \$50.00 to \$100.00, 25%.
